

BSAOCNC/SC Mid State Ride

The status of the ride is TEANTATIVE!

May 3-4, 2025

Be certain to check the status for updates via the BSAOCNC website, or contacts listed below!

The Mid State Ride has been a wonderful mainstay of our springtime calendar for a number of years, but some of our regular supporter that make this ride happen have had to withdraw this year and as such the ride is uncertain.

For those unfamiliar, the ride (for BSAOCNC) has left Carmel on a Saturday for Morro Bay with some meeting on Friday evening for dinner beforehand. Along the route we meet the SoCal Club for lunch. After an evening dinner and overnight in Morro Bay riders return without a formal organized ride back to Carmel on Sunday.

As our leadership has withdrawn, the ride is pending. If there is enough genuine interest in the ride, we will do our best to proceed.

If you intend to go on this ride, contact us via email or telephone (listed below) by Monday, April 28th to confirm!

We apologize for the lack of certainty and the “last minute” nature, but with leadership withdrawing, we are trying our best to make do.
