

## **BSA TRIPLES RIDE**

Bill Whalen & I are in the initial stages of organizing the Triples Ride. It is planned for Saturday July 11<sup>th</sup>. The starting point has not been set as of yet but our thoughts are that it will probably be somewhere in Northern Sonoma County with the ride going into Napa and possibly Lake Counties. We wanted to get this notice out early so that it would appear in the Bulletin before the ride date. Anyone interested in attending the ride please give Bill or me a call the week before the ride to get the final details.
